(505) 496-5812

For a limited time, receive a **\$100 gift card** after PNM verification!

How You Save

The community solar project generates energy for PNM.

PNM gives you a monthly bill credit as a subscriber to the project.

You'll be charged a subscription fee that's lower than the bill credit value received, ensuring a guaranteed savings rate.

The New Mexico Community Solar Program is governed by the New Mexico Public Regulation Commission (PRC)
